- *Explains things well!*

- *Helt enormt pædagogisk. Helt klart den bedste underviser jeg har haft på hele min uddannelse indtil videre!!!!!!*

- *Good kobu*

- *Srikanth var en god underviser, god humør. Var god til at forklare ting og brugte tid på det så alle forstod var der skete, dog nogle gange gik det lige lidt for langsomt. Ellers synd vi ikke fik set mere til ham*

- *Foretrak denne underviser*

- *Virkelig dygtig forelæser, god til at forklar og svare på spørgsmål.*

- *Explains the material in a straight-forward and understandable manner.*

- *god undervisning, dog var de håndskrevne noter lidt svære at læse*

- *Very pleasent lectures, very nice and respectful handling of questions during lectures*

- *Meget tydelige forklaringer.*

- *Hjælpsom, der var plads til at stille spørgsmål. Slides kunne været lidt forvirrende at finde rundt i til tider, men ellers var de ret gode.*

- *Alt godt til Skrikanth, men hans forelæsninger var simplethen ikke spændende at være til. Matematik er man simplethen nødt til at forlæse via en tavle. ikke slides. Det er sværere at skrive noter til, og det virker generelt bare ikke*

- *Dygtig og engageret, til tider lidt svært at forstå det engelske.*

- *10/10 no notes*

- *Please include more examples in lectures. You are good at explaining*

- *Would've loved to have Srikanth for a few more lectures, he seemed pretty good and easy to understand the concepts when he was teaching.*

- *Jeg ville ønske, han lærte os mere*
